

MACKTRACK ELITE

YOUTH DEVELOPMENT • ATHLETIC GROWTH • EDUCATION

SEPTEMBER 10, 2026

Dear Track Fans,

Today is one of my favorite days of the year—a day for everyone who wants to make a real impact. Welcome to ***Giving Speed Day.***

Coach Mack created Giving Speed Day with a simple premise: encouraging our community to stand up for youth development, athletic growth, and education.

To power our upcoming 2027 season, we have set a goal to raise **\$5,000 by December 31, 2026**. Your contribution directly supports our athletes and coaches by covering essential operating costs, including competition fees, flights, hotels, and ground transportation.

Beyond the track, this exposure gives our student-athletes a platform to showcase their talents to college recruiters, expanding their higher education options. An investment in these athletes is an investment in future community leaders.

Can MACKTRACK Elite Inc. count on your support today?

With deepest gratitude,

The Team at MACKTRACK Elite Inc.
